

Re\$ubmitIt[®] by BSG Financial –

Easy income for your bank. The check recovery service your business customers want.

One of the biggest headaches for your business customers is collecting funds from NSF checks. By offering them **Re\$ubmitIt[®]** electronic check recovery, you alleviate this problem for them AND double their successful collections.

Your bank earns fee income too!

MACB-endorsed **Re\$ubmitIt[®]** is one of the simplest ways your bank can earn income and provide business customers with a **FREE** check collection service.

As an endorsed provider for MACB, BSG Financial will reduce the standard Re\$ubmitIt set-up fee by half—from \$3,000 to \$1,500—and also share 33% of the earned revenue with member banks.

Especially in today's economy, businesses *want* a service that helps them recover more of the money they are owed.

- **Re\$ubmitIt[®]** can double collections of returned deposit items for your business customers.
- Your bank earns income on every fee collected.
- **Re\$ubmitIt[®]** is completely compliant and adheres to all NACHA rules.
- It is simple and quick to implement.

Earn easy income for your bank. Offer **Re\$ubmitIt[®]**, the check recovery service your business customers want. For more information:
