BSA/AML 1-Day Advanced Workshop

Monday, October 19

9:00AM - 4:00PM

Zoom hosted by Compliance Alliance

MBA is pleased to announce our 2020 BSA Seminar! We have joined with our trusted partner Compliance Alliance to build a one-day (with plenty of stretch breaks), in-depth BSA training. We are also offering registration **by bank** for this seminar to open it up for more people to attend. You may send as many people as you like for one rate! *CLE credits are also available for this course.*

This One-Day Workshop provides a comprehensive and up-to-date overview of top industry concerns related to BSA/AML compliance responsibilities. In the age of deregulation, BSA/AML is here to stay. Compliance Alliance incorporates up-to-date feedback from its member base to hit the hot topics and stress points for BSA compliance in community banks across the country. This includes preparing for post-Beneficial Owner rule examinations, the latest guidance for banking marijuana and hemp businesses and the ever-growing opportunities and risks of convertible virtual currency.
