Governance, Director Liability & Strategic Planning: What You Really Need to Know

Peter Weinstock, Partner, Hunton Andrews Kurth

These three topics are interrelated—part of appropriate board governance is understanding your liability as a director and ensuring strategic planning. If your strategic planning does not ensure that you have the appropriate board governance plans in place and that you are minimizing director liability, you are missing the mark as well. This session focuses on the practical steps to take and the nonsense that can be avoided as related to governance, director liability, and strategic planning.
