## SCHEDULE

### JANUARY 9

#### ***Bank Performance Key Metrics***

**Ben Crowley, The Kafafian Group**

*Join us on January 9th for an insightful session where Benjamin Crowley from The Kafafian Group will delve into crucial aspects of "Bank Performance Key Metrics." Gain valuable insights into the metrics that drive success in the banking industry and discover strategic approaches to optimize your bank's performance. Don't miss this opportunity to enhance your understanding of key performance indicators and chart a course for continued success in the financial landscape.*

### FEBRUARY 13

#### ***Managing Risk in Third Party Relationships – Evaluating new Interagency Guidance Issued in 2023***

**Matt Stein and Kyle Glover, Pierce Atwood**

*Join us on February 13th as our Directors Series presents a crucial session on "Managing Risk in Third-Party Relationships." Led by seasoned experts Matt Stein and Kyle Grover, this session will delve into the evaluation of the new Interagency Guidance issued in 2023. Gain actionable insights to fortify your bank against potential risks in third-party relationships and ensure compliance with the latest regulatory standards. This will be an informative session that will empower your board in navigating the dynamic landscape of risk management.*

### MARCH 12

#### ***Cybersecurity Trends and Strategies***

**Brendan Travis, Deer Brook Consulting**

**JC Clough, Machias Savings Bank**

*Join us on March 12th as our Directors Series presents a pivotal session on "Cybersecurity Trends and Strategies." Led by cybersecurity expert Brendan Travis of Deer Brook Consulting, this session will explore the latest trends in cybersecurity and provide invaluable strategies to fortify your bank's defenses. Stay ahead of evolving threats and equip your board with the knowledge needed to safeguard your institution in an increasingly digital landscape. Don't miss this opportunity to enhance your cybersecurity posture.*

### APRIL 9

#### ***Legislative and Congressional Issues Impacting Banking***

**Paul Merski and Anne Balcer, ICBA**

*Join us on April 9th for an insightful virtual workshop on "Legislative and Congressional Issues Impacting Banking." Renowned experts Paul Merski and Anne Balcer from the Independent Community Bankers of America (ICBA) will guide attendees through a comprehensive discussion on the latest legislative and congressional developments influencing the banking landscape. Gain valuable insights into policy changes, regulatory updates, and potential impacts on the industry. This workshop is a must-attend for board members, executives, and professionals seeking to stay well-informed about the evolving legislative landscape in banking.*
