

BANK EXPO 2019 | April 11, 2019

Holiday Inn by the Bay, Portland

Happy Holidays! We are excited to announce the dates for our 2019 Bank Expo and invite you to be an exhibitor at our 27th annual event.

Expo News:

- We are working with the planning committee to redesign our vendor engagement activities to offer you better connections with bankers looking for your services.
- We had great feedback last year so we will continue to include additional booth attendees this year. A single booth rental will include two complimentary attendee registrations, and a double booth will provide three complimentary attendee registrations.
- People are still talking about the amazing booth giveaways last year. We will highly encourage everyone to offer a booth prize, and to let us know of their plans early so that we can share the information with our attendees!

Expo Details:

Who Attends: Senior operations (COO, CRO, CIO), IT, security, human resources and compliance managers from banks across Maine.

Why Exhibit: This is the only bankers' trade show held in Maine for Maine banks. Bankers attending receive a product and service profile for all exhibitors. All meals, breaks and prize drawings take place in the Exhibit Hall.

Sponsorship Opportunities: Want even more exposure? Take advantage of one of our many sponsorship opportunities! Sponsorships allow us to add more value to the event and more eyes on your company. Don't see a sponsorship you want? Ask!

Booth Selections: Exhibitors select their booth locations on a first-come, first-served basis. A double booth combines two neighboring single booths with a price break. Listing your competitors in the space provided on the registration form will assist us in trying to avoid assigning a space next to the companies that you name. Booths will be assigned when payment is received.

Hotel Information: We are able to offer a room rate of \$127+. The cut off for the room block is March 9th. We will be partnering with SER Exhibition Services again this year, and follow up about booth set up will be available soon.
